A little bit about us:

Family is at the heart of all we do and we see our vendors, staff & customers as an extension of our family. For years, Tom & Suzi Skoglund did many shows as crafters and started the Prairie Peddler Festival to provide another venue for crafters and customers to come together. Today, Suzi continues to run the festival with her daughter, Mandie. We are grateful that we work with some great people that help make the festival a huge success every year. The festival is in it's 35th year and has become a tradition for so many. With over 200 vendors, live music & food, visitors come from all over Ohio and surrounding states to shop, eat and enjoy everything the festival has to offer. We are conveniently located between Cleveland and Columbus, just a few miles off I-71 making it a great location for those from the Cleveland and Columbus areas to get out of the city and enjoy the fresh country air!

Application process:

1. Fill out the application completely. Submit your application and pictures online.
2. The committee looks for the following when jurying applications: quality products that have saleability with our customer base, a 'boutique look' in booth display, and we consider the number of vendors already signed up in the product category.
3. Upon acceptance, your spot will ONLY be reserved once the show fee is paid in full.

Guidelines for Selling

1. Items in your booth must be handmade by the vendor(s) unless other items are approved by the committee upon submission of application.
2. Pictures may be sent via mail or email. Only approved items may be sold.
3. The festival committee will evaluate on an individual basis requests for more than one craft category in a space.
4. We encourage you to demonstrate your work. Customers enjoy watching the artist demonstrations and we continue to get requests to see more at the show.
5. **For Food Concessions inquiries- contact us for availability.**

Display & Sales

1. Booths should be decorated for fall. Pumpkins, mums, straw bales & corn stalks are easy and inexpensive ways to enhance your display. Corner poles on canopies should be covered with corn stalks, fabric or burlap.
2. Your display needs to be confined to the size space marked on your application.
3. All stock and storage boxes must be hidden from view.
4. No sales are to be made outside the designated booth area. No hawking permitted.
5. Displays should be appealing and neat and tables should be covered to the ground. Plastic tarps are not to be visible during show hours (exception-inclement weather).
6. To obtain a vendor's license: Ohio Department of Taxation at (888)405-4039. For food license: Richland County Health Department at (419)774-4500.

Camping

1. Primitive camping available at no charge for our vendors but you will need to let us know ahead of time that you will be camping on-site.

Miscellaneous

1. Pets are not allowed on show grounds when the festival is open.
2. We reserve the right to ask anyone to leave that is displaying extreme behavior (i.e. causing a disruption to others, defacing of property).

Owning a Booth Structure on the Property

1. All booth sales need to go through us. First time vendors are not permitted to purchase a booth on the property prior to their first show.
2. New booth construction and additions must be approved by a drawing submitted via email.
3. Booth Repairs are the responsibility of the booth owner. Contact us to make arrangements to get onto the grounds for booth repairs prior to set-up week.
4. If something arises and you cannot do the show, we reserve the right to rent out your booth and there will not be compensation to the booth owner. We will not let booths sit empty during the festival. The Festival is not responsible for any items left inside your booth.

Crafter Referral

1. Refer a new vendor (someone who hasn't participated in the last 5 years) and if they are accepted, you will receive \$50 off your booth fee the following year.
2. Have the new vendor list you on their application, in order to receive credit (under crafter referral).
3. The booth rental fee is excluded and referral cannot apply to a new crafter sharing or using an existing crafter's booth.
