1. Temperatures will be taken before anyone enters the event. No one will be admitted with a temperature of 100.4 or higher. If you are feeling sick, please stay at home.
2. A face mask must always be worn and everyone must maintain a social distance of six feet apart.
3. The number of people inside the event at any given time will be limited to allow for proper social distancing. If capacity has been reached, guests will be asked to wait outside the gate until the number of people inside the event has decreased. Our safety team will use counters to keep track of how many people are in the event at one time.
4. There will be a one-way lane to enter and a separate one-way lane to exit at each gate.

6. Maps will be available at the gate and indicate one-way traffic flow throughout the event.
7. There will be no sign-up sheets onsite for future show information. Please go to [shopthepeddler.com](http://shopthepeddler.com) to subscribe to the mailing list.
8. All personnel and retailers will wear masks. At each booth, a sign will be posted to indicate the number of people allowed in the booth at one time. Hand sanitizer will be available at every booth.
9. Food concessions will comply with the Standard Restart Ohio COVID-19 rules for restaurants.
10. Food and drinks are only to be consumed within the designated picnic areas. All tables will be spaced six feet apart. Each area will be staffed and tables will be cleaned after each use.

12. All portable toilets will be cleaned periodically throughout the day.
